**RE: Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "A Stage 1 Archaeological Assessment of Freymond Quarry Part of Lots 51 & 52 Concession WHR Dungannon Twp. (Geo.) Hastings County", Dated February 2011, Received by MTCS Toronto Office on February 14, 2011, MTCS Project Information Form Number P039-160-2010, MTCS RIMS Number 12AG109**

Dear Mr. Swayze,

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 1993 *Archaeological Assessment Technical Guidelines* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

This report was subjected to a review that focused specifically on concerns for archaeological resources and/or sites in relation to the outcomes and recommendations of the report. This focused review does not alter or affect your obligation as the licensee to ensure that all reports submitted meet the Ministry technical guidelines and terms and conditions of licence.

The report states that the subject property has archaeological potential and recommends Stage 2 assessment be completed.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment is consistent with the ministry's 1993 *Archaeological Assessment Technical Guidelines* and the terms and conditions for archaeological licences. This report will be entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

I trust this information is of assistance. Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink on a light blue grid background. The signature reads "Jim Sherratt" in a cursive, flowing script.

Jim Sherratt  
Archaeology Team Lead
